A · Cycle

Goat, cattle and pig above a maize cob and leaves, inside the green-and-orange ring: crops feed the herd, the herd feeds the land.

B · Heritage seal

A classic farm stamp: name and promise around the edge, the three animals in the centre. Feels established; ideal for labels, bags and certificates.

C · Barn

The three animals at home in a barn with an orange roof. The most literal "farm" of the four; reads instantly on signs and packaging.

D · Sunrise field

Sun rising behind the herd over ploughed rows: land, sky and animals together. Bold and outdoorsy; strong on vehicles and clothing.
