## A · Cycle

Current logo. Goat, maize and leaves inside a green-and-orange ring: crops feed the herd, the herd feeds the land.

## B · Heritage seal

A classic farm stamp: name and promise around the edge, goat and maize in the centre. Feels established and trustworthy; ideal for labels, bags and certificates.

## C · Leaf

The goat lives inside a leaf: livestock and crops as one. The simplest and most modern of the four; works best at small sizes and on screens.

## D · Sunrise field

Sun rising behind the goat over ploughed rows: land, sky and herd together. Bold and outdoorsy; strong on signboards, vehicles and clothing.
